

Alternative 1

Remove traffic signal from the west leg of Vassar Street. The traffic signal would be at the east leg of Vassar Street. The following turning movements would be permitted:

- Eastbound right turn from Vassar Street to southbound Edgewater Drive
- Westbound right and left turns from Vassar Street
- Southbound right turn from Edgewater Drive to westbound Vassar Street
- Northbound right turn from Edgewater Drive to eastbound Vassar Street

Eliminate the following turning movements at Edgewater Drive and Vassar Street:

- Eastbound left turn from Vassar Street to northbound Edgewater Drive
- Eastbound right turn from Vassar Street to southbound left turn from Edgewater Drive to eastbound Vassar Street (eastbound through movement)
- Northbound left turn from Edgewater Drive to westbound Vassar Street
- Southbound left turn from Edgewater Drive to eastbound Vassar Street

Alternative 2

Remove traffic signal from the west leg of Vassar Street. The traffic signal would be at the east leg of Vassar Street and would only control traffic on Edgewater Drive to allow southbound left turns from Edgewater Drive and to allow pedestrians to cross the intersection. The following turning movements would be permitted:

- Southbound left turn from Edgewater Drive to eastbound Vassar Street.
- Eastbound right turns from Vassar Street to southbound Edgewater Drive
- Westbound left turns from Vassar Street to northbound Edgewater Drive (under stop sign control)
- Southbound right turn from Edgewater Drive to westbound Vassar Street
- Northbound right turn from Edgewater Drive to eastbound Vassar Street

Eliminate the following turning movements at Edgewater Drive and Vassar Street:

- Eastbound left turn from Vassar Street to northbound Edgewater Drive
- Eastbound right turn from Vassar Street to southbound left turn from Edgewater Drive to eastbound Vassar Street (eastbound through movement)
- Westbound left turn from Vassar Street to southbound Edgewater Drive
- Westbound right turn from Vassar Street to northbound left turn from Edgewater Drive to westbound Vassar Street (westbound through movement)
- Northbound left turn from Edgewater Drive to westbound Vassar Street
